LOOKS SUSPICIOUS.

Better Let Well Enough Alone.

The city papers are publishing the statement that there is a probability of there being a called session of the Legislature to consider an amendment to the Capitol Appropriation Law, allowing a change of location for the proposed building. We earnestly hope that this will not be done.

At the last session of the Legislature a bill, looking to the same end, was introduced, and could easily have been passed, but the friends of the original measure were unwilling to open up the question, however desirable it might have been to have the amendment adopted. They came to the conclusion that it was best to let well enough alone. After all these years, in which this matter has been fought over, it was earnestly hoped that the question was finally determined. To thus re-open it, at this late day, is a very dangerous proceeding.

It is urged as a ground for the project that there is not room to erect the right kind of buildings upon the present site. That is all rot. The capitol of the State of New York is a much larger building than is necessary for this State, and cost enormously more than is proposed to be expended upon ours, and yet the ground occupied is not a bit larger, if as large, as that upon which our building is to be placed. The Missouri and Arkansas Capitols are upon just about the same quantity of ground that ours will occupy.

Again we say, "better let well enough alone." It looks very suspicious.

SUCCESSFUL OPERATION.

Judge A. Rollins Burnam took his son, Mr. Lucien Burnam, to Louisville on Monday, and he was operated upon on Wednesday, for appendicitis. The operation was a decided success, and Mr. Burnam is doing very nicely.

PROPERTY SOLD.

On Wednesday last Dr. S. B. Holmes' property, on West Wapping street, was offered for sale. Dr. S. E. James bid \$7,500 for the whole property, which bid was rejected.

The three vacant lots were then sold to Dr. E. E. Hume for \$3,100. Dr. Holmes held the whole property at \$8,000.

A NEW ENTERPRISE.

Two highly educated and accomplished young ladies, Miss Katherine Elizabeth Searce and Miss Rosalie Pauline Searce, have made arrangements to open up a first class academy at Bagdad, Ky., to be known as "Shelby Institute." These young ladies are in every way competent to teach the branches they propose to embrace in their curriculum, viz: Mathematics, English, Latin, Greek, German, French, Natural Science and History.

They are daughters of Mr. George T. Searce, himself a teacher of prominence.

We wish them all success in their new field.

A GOOD DEED OF CHARITY.

The Captain of the Salvation Army, with the assistance of Rev. M. B. Adams, took one of those girls from Long Ave., who was dying with consumption, to her sister's home at Old Christiansburg. The trip was a tiresome one to her, taking us from 7 a. m. to 2 p. m., but by God's help and careful driving we arrived all O. K. This is the kind of work the Salvation Army loves to do. Many thanks to our Mayor for his help.

WAIT FOR IT--DON'T FORGET IT.

The Young Ladies Aid Society of the First Baptist Church will run an excursion on the Falls City some time about the middle of August. The exact date will be given later. The excursion will go to Tyrone or probably beyond that point. The rate for the round trip will be very low. A nice and pleasant trip is assured. Wait for it.

LIKE DAISIES BEFORE THE SCYTHE.

Baby lives are destroyed in summer by cholera infantum. The attack of the disease is sudden, its progress is sometimes terribly rapid. Mothers who have given their children Perry Davis' Painkiller can tell how this treatment has checked the diarrhea and vomitings, and put the little patient out of danger. 25 and 50 cts.

IN NEED OF MORE FUNDS.

By the following it will be seen that the Finance Committee of the Fourth of July celebration is in need of more funds:

The expenses of the Fourth of July celebration were greater by about \$75 than was provided for or anticipated, and the finance committee now finds itself in need of this amount to close up outstanding accounts. We make an appeal to those who did not contribute to the original fund, and ask them to come to our aid, and thus save the committee the necessity of a further canvass of the city. Send any subscription to either member of the committee, and receive our thanks.

Y. M. C. A. SOCIALS.

A series of socials will be given at the Y. M. C. A., through the summer, by the different churches in the city. The first was given by the First Presbyterian Church last Thursday, July 21. It was, owing to the inclement weather, not very largely attended. The ladies furnished ices and cakes for refreshments, which are very acceptable these warm nights. Each occasion will be as informal as possible, the entertainments will be music, solos, duets and quartets, all the popular music of the day.

Besides games, the young ladies will be on hand to entertain. Every young man is invited and everything is absolutely free and open. Come and enjoy a cool drink and a chat with the fairer sex.

MISTAKEN.

In our notice, last week, of the fact that Mr. Darsie was the only pastor of a Frankfort church to die in the pastorate, we had forgotten the fact that Rev. S. E. Jones, pastor of the Southern Presbyterian Church, had died while the incumbent of the position. Mr. Jones was a very eloquent and splendid young preacher, who gave great promise for the future, but was called hence after only a short pastorate.

Our attention was called to this by our friend, Miss Florence Payne.

FRANKLIN BAPTIST ASSOCIATION.

Frankfort, Ky.,

July 18, 1904.

The Franklin Association of Baptist Churches will convene with the First Baptist Church of Frankfort, on Wednesday and Thursday, the 24th and 25th days of August, 1904. Pursuant to an order made at the session of the Association in 1903, at Pleasant Ridge Church, it was thought advisable that a central, convenient and permanent place for the meetings of the Association be provided, and that the church, with which the meetings be held under this arrangement, be relieved of all the care and necessity of providing entertainment for the messengers and visitors, and this meeting is to be held under that provision. Ample room will be provided by the Frankfort Church in its former chapel for all visitors and messengers to spread lunch, etc. At a meeting of the Executive Board of the Association, held this day, this arrangement was unanimously adopted, and, by virtue of that arrangement, the place of the meeting the ensuing session was determined as at Frankfort. The Frankfort church, having previously tendered the use of their building for the above purposes, and under above conditions also. The following resolution was unanimously adopted:

Resolved, That a committee of four, viz: J. E. Kirtley, Jas. A. Scott, N. R. Armstrong and E. R. Jones, with the pastor of the Frankfort Church, as ex officio, be appointed, whose duty it shall be to formulate a plan, and present it to the next meeting of the Association, whereby a suitable, central place, may be selected, and all other necessary arrangements for the consideration of the Association.

Resolved, That the Moderator of the Association be requested to give due notice of the above through the Frankfort papers, the Baptist Argus and Recorder.

U. V. WILLIAMS,

GREAT STRIKE SETTLED.

The big Chicago butchers' strike, which involved some 55,000 men, and was likely to involve as many more, was settled, on Wednesday night, by both sides agreeing to arbitration, and binding themselves to stand by the award.

This is a happy solution of a very unhappy situation.

WILL CURE STOMACH ACHE IN FIVE MINUTES!

This is just what Painkiller will do; try it. Have a bottle in the house for instant use, as it will save you hours of suffering. Watch out that the dealer does not sell you an imitation, as the great reputation of Painkiller (Perry Davis'), has induced many people to try to make something to sell, said to be "just as good as the genuine."
